

Greenlite™

Offices made simple

Looking for
offices for up to
30 people?...

...Then you need Greenlite

Greenlite is a new simple and flexible approach to office space that will make running your business easier. Our value for money, all-inclusive monthly charge means you know exactly what your costs will be.

Our terms start from just 1 month and, whatever you need, we can tailor a flexible package that will suit you perfectly.

We're already home to more than 300 small and medium-sized businesses throughout the UK so we understand exactly what you need, and how the small differences we make can make a big difference to you.

Milton Park

Abingdon ■ Oxfordshire

With Greenlite we've created a package that offers real benefits to our customers:

→ On-site personal contacts

The person you meet will handle the whole process. With Greenlite there's no waiting for approvals from 'head office'. All our Estate Teams are specialists with years of experience in looking after our customers and they can help you find what you need – and then make the whole process of moving in really painless.

→ Connectivity guaranteed

Using our established estate network providers we can offer you guaranteed telecoms connections.

→ Flexibility and commitment

Greenlite packages are designed for the real world and so, as your requirements change, we can help to make the process easy. We know that your business needs will always change and we will work with you to make sure your accommodation needs are met.

→ If you need extra help

Our expertise and experience allows us to help you in everything related to your offices. Whether it's partitioning, health and safety or anything else, our on-site teams can offer advice and even put you in contact with our established network of suppliers who'll offer you great prices and excellent service.

→ Plain English and a speedy process

No more long delays while solicitors deal with complicated leases. Our plain English agreements are simple and straightforward. You could even move in same day!

→ No small print

Our packages explain very simply what your monthly charge includes and what it doesn't. We include everything you need and nothing you don't – so you're not paying for things you'll never use.

→ A sustainable environment

Greenlite offices are all on business estates where sustainability is a core part of everything we do. So comprehensive recycling, green transport initiatives, and great landscaping is included at all our locations which should save you both time and money.

→ Unrivalled facilities

All Greenlite office space is situated on prestigious business estates in prime locations which already benefit from on-site facilities that include child care, restaurants, convenience stores, fitness centres, conference and meeting facilities, and 24-hour security.
